

Our School

The French Académie was founded in 1998 and has a rich 20-year history in French Immersion and Bilingual Education. We provide a private, language-enriched environment for 16 months to Kindergarten students, in an energetic and friendly setting. Incorporating inspiration from Montessori education, the Reggio Emilia approach, and the world-renowned French *Maternelle*, we combine the best of early childhood pedagogies within a unique bilingual language environment. Our low student-to-teacher ratio allows teachers to tailor the curriculum to each students' individual learning abilities. Our classrooms are bilingual French/English. Our team members all have a passion for the education of young children.
